The Medicine Lodge High School Graduating Class of 2011 invites you to join their celebration at Commencement Exercises May, 14th, at 8 p.m. Krug Field Medicine Lodge, Kansas Baccalaureate - Saturday, May 14th, 2011, at 2 p.m. at United Methodist Church

A MESSAGE TO THE CLASS OF 2011 FROM THE PRINCIPAL:

Mike Hubka, Principal

The Medicine Lodge High School Class of 2011 is nearing completion of its journey. You are in the final days of completing a thirteen-year trek through the courses and experiences that have allowed you to attain the goal of High School graduate! I have enjoyed watching you grow and mature into fine young men and women. You exhibit a variety of personalities and talents, and I am grateful that you have shared them here. As a whole, you have remained focused on the tasks at hand. When I asked how many days of school were left at the Senior Breakfast, there was not a collective blurring of an answer, so I had to calculate the answer. While I am sure you are looking forward to graduating, you have not seemed to show overt signs of senioritis! For myself and on behalf of the faculty, I just want to say that we are very proud of the efforts you have put forth in working to reach this ultimate goal. The actual graduation ceremony will be a culminating event where your family and friends will be able to see you walk across the stage and receive your diploma. Thus, that ceremony is as much for them as it is for you. However, it may be the last time that all of you will be assembled together in one place. So, enjoy the remaining time you share together as a class in remembering the road you have traveled and those who have helped you progress along the way. As the road continues from here, the possibilities of brilliant futures lie in front of you. Congratulations on fulfilling this rite of passage and best wishes on the paths and successes that lie ahead for all of you.

Mr. Hubka
